HIGHBAY Series

eLEDtric

UFO Highbay Series

The eLEDtric UFO Highbay Series delivers unparalleled design, maximum energy efficiency and unrivalled optical and brightness control.

Our UFO Highbays include the latest technology allowing componentry to be minimised to stabilise life expectancy.

The housing componentry is constructed with die-cast aluminium for superior durability. The UFO Highbay has a IK10 impact rating and anti-corrosive surface treatment making it extremely robust and capable of handling the roughest of environments.

eLEDtric
UFO Highbay Series

Product Features

- *Die cast aluminium - Black*
- *1-10v dimming*
- *Motion Sensor Range 12-15 Metres*

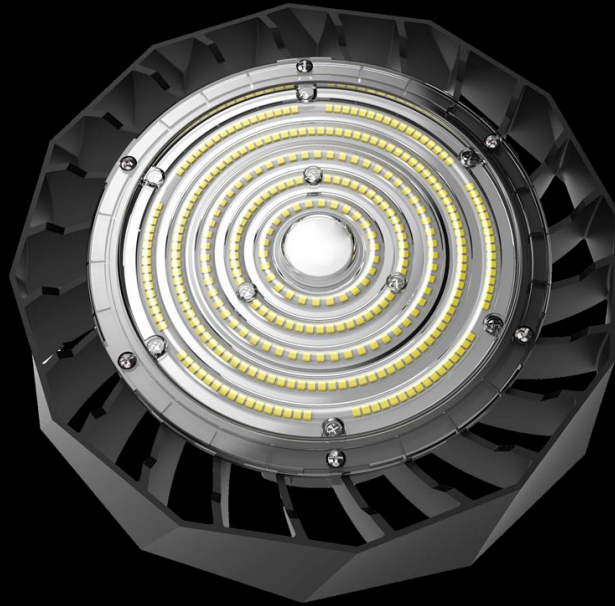

eLEDtric

UFO Highbay Series

Light Performance

- *Tempered glass and uniform light distribution*
- *Luminaire output efficacy 130LM Per watt*
- *Standard CRI 80, Customisable to CRI 90*
- *CCT 3,000k, 4,000k, 5,000k, 6,000k, with 6,500k available on specification*
- *Beam Angles available 35, 60, 90, 120°*
- *50,000 hours lamp life*

eLEDtrio

UFO Highbay Series

Electrical

- *Input voltage AC90-277V*
- *PF>0.95 at full load, THD<15% at full load*
- *Samsung 2835SMD*
- *Ambient operating temperature -30~50°C*

Certificates

- *IP65*
- *IK10*
- *CE – EMC*
- *CE-LVD*
- *SAA*
- *ETL DLC*
- *RoHS*
- *TUV*
- *RCM*

Warranty

- *5 years*
